

Keyfreight Services

COMPANY OVERVIEW

2023

About us

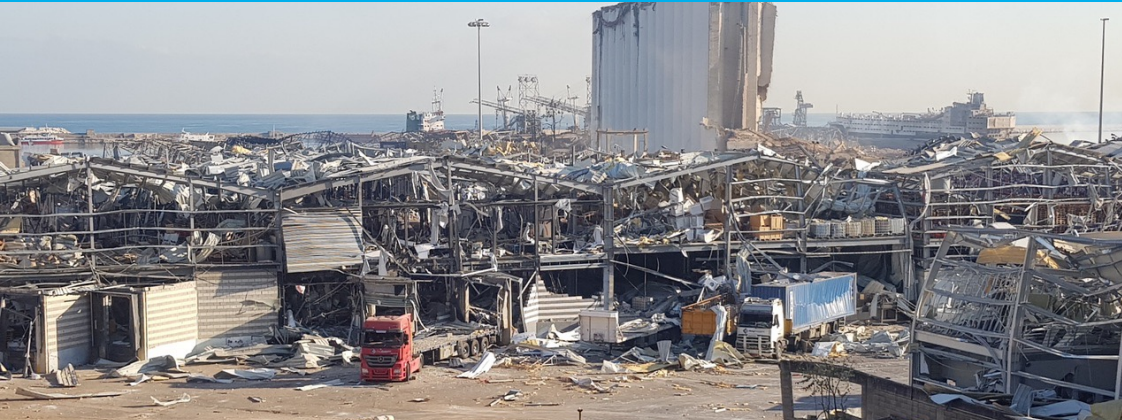

At Keyfreight we operate a 3PL business centered around our client needs.

We are resilient, highly adaptable, and go to great heights to exceed our clients' expectations.

We hoped... and we achieved.

Our commitment to rebuild after the blast of 2020

From the August 4 blast aftermath...

...to our 'Rebuilding Hope' initiative

Keyfreight is proud to announce its official reinstatement and its renewed commitment towards its customers and team.

Our Mission

Keyfreight Services is committed to the pursuit of quality, agility and excellence in logistics.

We are passionate about the 3PL business, and this passion is exhibited daily.

We see our work as a mutually beneficial partnership with our clients.

We understand business needs and offer the most optimal and competitive solutions.
